

# Executive Summary

- The most recent list of top 100 baby names in the US includes Liam, Olivia, Noah, Emma, Oliver, Charlotte, James, and Amelia. The source for this information is the Social Security Administration (SSA) [1](#).
- The top baby names of 2023 are Olivia, Noah, Emma, Liam, Amelia, Oliver, Sophia, and Elijah. This information is from BabyCenter [2](#).

## Analysis and Interpretation

- The Social Security Administration (SSA) provides a list of the most popular baby names in the US. This list is based on the number of occurrences of each name in a given year [3](#).
- The popularity of baby names can vary over time. The SSA also provides data on the popularity of names by decade, allowing us to analyze trends and patterns [4](#).
- According to the SSA, Liam and Olivia were the most popular baby names in 2023 [5](#).
- BabyCenter also provides a list of the most popular baby names. Their list for 2023 includes Olivia, Noah, Emma, Liam, Amelia, Oliver, Sophia, and Elijah [6](#).
- It is interesting to note that there is some overlap between the top baby names in the US according to the SSA and BabyCenter. Olivia, Noah, Emma, Liam, Amelia, and Oliver appear on both lists [7](#) [8](#).

## Trends and Popularity

To provide context and additional information, data on the trends and popularity of these names over the past few years was collected. The popularity of baby names can vary over time, and understanding these trends can be insightful.

According to the Social Security Administration, the popularity of baby names can be analyzed by decade. The same methodology used to determine the popularity of names in a single year is applied to determine the popularity by decade. The number of occurrences of each name is counted to determine its popularity.

## Key Resources

The following resources were used to gather information on the top 100 baby names in the US and their trends:

1. [Social Security Administration - Baby Names](#): This website provides the most recent list of top 100 baby names in the US, as well as data on the popularity of names by decade.
2. [BabyCenter - Top Baby Names](#): BabyCenter offers insights into the top baby names of the current year, providing a comprehensive list of popular names.

## Method

The following steps were taken to gather the necessary information for this research:

1. Gathered information on the most recent list of top 100 baby names in the US from a reliable source such as the Social Security Administration or a reputable parenting website. The Social Security Administration's website (<https://www.ssa.gov/oact/babynames/>) was used as the primary source for this information. Another source, BabyCenter (<https://www.babycenter.com/baby-names/most-popular/top-baby-names>), was also consulted for the top baby names of 2023.
2. Collected data on the trends and popularity of these names over the past few years to provide context and additional information. The Social Security Administration's website (<https://www.ssa.gov/oact/babynames/>) was used to scrape data on popular baby names by decade (<https://www.ssa.gov/oact/babynames/decades/>).

Please note that all information presented in this report is based on the facts and data obtained from the aforementioned sources.
